Subject: Many thanks

Mary

Now that I have a minute...

Yes, the centenary was outstanding. Everything went without a hitch so all our planning and efforts were well rewarded.

Many thanks for all your help. You and your team are a credit to Carlton Hire I must say. I really appreciated working with you especially, because of your efficiency and organisation. The marquee was very successful for our needs indeed.

Once again, it has been a pleasure to do business with you. I'll be recommending you to anyone who wants a marquee or anything else for hire. I also appreciated your assistance with organising our last minute cup and saucer requirements.

Many thanks for everything.

Cheers

Janice
